I, Kerry R. Thompson, declare and state the following:

1. I have been employed at the law firm of Faegre & Benson LLP for the last five years. My position currently and for the last two years is as a Paralegal in the Intellectual Property Group.
2. I am responsible for reviewing and docketing incoming correspondence from the United States Patent and Trademark Office according to docketing procedures in place in the Minneapolis, Minnesota office of Faegre & Benson LLP.
3. The policy in our office is that all mail from the USPTO is directed to me for docketing.
4. Our docket records for this matter do not reflect receipt of an Office Action for this Application Serial No. 10/026,670, mailed June 4, 2004.

Serial No.: 10/026,670
Page 2

5. I have inspected the file jacket of Application Serial No. 10/026,670 and determined it does not include any copy of an Office Action, mailed June 4, 2004.

6. As of December 8, 2004, Faegre & Benson LLP had not received an Office letter from the U.S. Patent and Trademark Office requiring a reply or amendment to the Application Serial No. 10/026,670.

7. Attached hereto is Exhibit A, which is a printout of our docket system entries for Application Serial No. 10/026,670. Exhibit A is a copy of records that would disclose the receipt of any Office Action mailed from the USPTO on or about the mailing date of June 4, 2004 of the non-received Office Action. Exhibit A evidences the non-receipt of the Office Action mailed June 4, 2004.

8. Attached hereto is Exhibit B which is a printout of our docket system entries for Application Serial No. 10/154,645 showing receipt of an Office Action mailed June 4, 2004 under column heading "BASE" and row including "FR N FINAL REJECTION (AA)." Exhibit B shows that another Office Action mailed by the USPTO on June 4, 2004 was entered into our docket system for a case unrelated to this application.

9. Attached hereto is Exhibit C which is a printout of our docket system entries for Application Serial No. 10/420,523 showing receipt of an Office Action mailed June 3, 2004 under column heading "BASE" and row including "R2 N RESPONSE TO OA (2MO)". Exhibit C shows that this correspondence mailed by the USPTO on June 3, 2004 was entered into our docket system for a case unrelated to this application.

10. Attached hereto is Exhibit D which is a printout of our docket system entries for Application Serial No. 10/151,199 showing receipt of a Notice of Allowance (as evidenced by required payment of "ISSUE FEE") under column heading "BASE" and row including
